

The Junior Exhibitor Program
INTRODUCTION
2023

TICA's International Junior Exhibitor Program provides the opportunity for young people under the age of 18 to participate in the TICA experience and learn about feline husbandry. Participants are exposed to both competition and a continuing educational process as they work their way through Levels of Achievement. The program promotes sportsmanship and self-confidence and fosters an ever-growing knowledge base of feline husbandry, breeds, grooming, and show participation and production.

The goals of the program are to:

- *Educate Junior Exhibitors on feline health and care;*
- *Mentor Junior Exhibitors as they build their self-confidence;*
- *Inspire and honor Junior Exhibitors with trophies and awards as they learn about competition and good sportsmanship; and to*
- *Grow the number of TICA Junior Members*

If provisions in the Junior Exhibitor Program conflict with local governing laws or regulations, local governing laws and regulations shall supersede those provisions.

ARTICLE ONE – Definitions and Responsibilities

81.1 Precedence – If any provision in this Junior Exhibitor Program conflicts with local governing laws or regulation, then local governing laws and regulations shall take precedence over that provision.

81.2 Junior Exhibitor Ring

81.2.1 A special ring conducted during a licensed TICA show where participants are judged solely on their ability to handle and present their cat, including:

- 81.2.1.1 Ability to handle and present their cat, including knowledge of their breed;
- 81.2.1.2 Ability to answer basic questions, according to their age and level, about basic feline husbandry;
- 81.2.1.3 Grooming, health and condition of cat;
- 81.2.1.4 Knowledge of TICA rules.

81.2.2 The Junior Exhibitor ring is open to all participants who are either enrolled in the Junior Exhibitor Program or are aged 18 or under and have written permission to participate from their parent/guardian. At the discretion of the Junior Exhibitor Liaison, exceptions to the age limit may be granted.

81.2.3 The Junior Exhibitor Ring is conducted under the supervision of a TICA judge who awards points (see Article 12) to each participant rather than to their cat.

The International *Cat* Association

Junior Exhibitor Program

81.2.4 Only cats entered in the show may be used in the Junior Exhibitor Ring.

81.2.4.1 No hybrid cats less than four generations away from the wild cat may be used.

81.2.5 Participants may compete only one time before entering the program and joining TICA.

81.3 Regional Liaisons – Regional Liaisons are appointed by the area Regional Director and there can be multiple Liaisons per region as needed. The Liaisons are responsible for the overall guidance of the Junior Exhibitor Program in their region.

81.3.1 Responsibilities include ensuring Junior Exhibitor enrollment forms with parental/guardian signatures are completed; record keeping and scoring; maintenance of the various forms used in Junior Exhibitor Rings; assisting in facilitating Junior rings; and working with Junior mentors.

81.3.2 At the end of the season, provide a timely listing of Junior members and points to the appropriate Regional Director for Regional Junior Exhibitor Recognition and Awards.

81.4 Junior Exhibitor Mentor – The Junior Exhibitor Mentor plays an important role in the successful participation of a Junior Exhibitor in this program and the advancement through the levels. The Mentor is required to be guide, counsellor, and coach.

81.4.1 Qualifications to be a Junior Exhibitor Mentor

81.4.1.1 Must be an adult TICA member, who may or may not be, a family member.

81.4.1.2 Must be familiar with the Junior Exhibitor program.

81.4.1.3 Other considerations in accepting a mentorship are whether it is possible to attend the same shows and be available for support and counseling.

81.4.2 Responsibilities of a Junior Exhibitor Mentor are:

81.4.2.1 Making sure the Junior Exhibitor are completing their levels and requirements.

81.4.2.2 In areas/shows that do not have stewards or Assistant Ring Clerks, the requirements for stewarding/assistant ring clerking may be replaced at the discretion of and with the approval of the JE Liaison. Show management also needs to approve any Head Ring Clerk assignments. Examples of alternatives could include: putting in order and running judges slips to the master clerk, paper towel preparation and supplying the rings during the show writing a paragraph on steward duties, or a question/answer session with a Head Ring Clerk.

81.4.2.3 Helping the Junior Exhibitor accomplish their goals.

81.4.2.4 Being a role model. Showing and leading by example.

ARTICLE TWO – Eligibility for Participation

82.1 Participation in the Junior Exhibitor Program is open to anyone under the age of 18. A participant in the Program may remain in the Program until the close of the show season in which they turn 18 years old.

The International *Cat* Association

Junior Exhibitor Program

- 82.2 Applicants must meet the following requirements to participate in all levels prior to Senior Novice:
- 82.2.1 Be a junior member of TICA in good standing
 - 82.2.2 Have a Junior Exhibitor Mentor.
 - 82.2.3 Complete the application and parental/guardian permission for participation form.
- 82.3 To progress to Senior Novice level and beyond, the following requirement is added to those in 82.2:
- 82.3.1 Own, co-own, or be lessee of a TICA registered kitten, cat, alter, household pet kitten or household pet.

If the cat is not residing with the Junior Exhibitor due to special circumstances, a note of those circumstances should be made and the dispensation approved by the JE Liaison. The JE Liaison will assign side tasks regarding feline care.

ARTICLE THREE – Programs

83.1 The Junior Exhibitor Program and Excellence Award. This program is for Junior Exhibitors that desire to show their cats, enjoying the TICA experience from an exhibitor perspective. Junior Exhibitors may qualify yearly for a Junior Exhibitor Excellence Award. To qualify, a Junior Exhibitor must exhibit in four (4) shows a year and provide a letter of endorsement from their JE Regional Liaison. To receive the award, the Junior Exhibitor must adhere to TICA rules and forward copies of the catalog cover pages and the pages that name the Junior Exhibitor as the owner or agent to the JE Regional Liaison or Regional Director. The Regional Director shall forward the list of names to the Executive Office.

83.1.1 The Junior Exhibitor Excellence Award shall be awarded annually at the Regional ceremonies.

83.2 The Junior Exhibitor Program and Achievement Award. This program is a long-term, comprehensive program that encourages and challenges the Junior Exhibitor. A Junior Exhibitor may elect to complete some or all the levels, receiving recognition for graduating from each level sequentially. Completion of each level of the program earns the Junior Exhibitor an Achievement Award.

83.3 The Junior Exhibitor Program and Achievement Award, with Distinction. Additional requirements may be met by Junior Exhibitors who are interested in various TICA related pursuits including the Judging Program. Upon completion of the Junior Exhibitor Program and additional requirements, the Junior Exhibitor is recognized as having completed the Junior Exhibitor Program with Distinction.

Completion of the Junior Exhibitor Program With Distinction is recognized in the following areas:

ARTICLE TWELVE – Scoring for Junior Exhibitor Rings

812.1 The following point system is to be used as a guideline for Judges to follow in evaluating a participant's performance in a Junior Exhibitor ring:

812.1.1 **Handling Skills (20 points)** – Junior/cat interaction – observable in the ring as well as through questions asked about the responsibility of caring totally for their cat. The judge should take into consideration the appropriateness of the cat chosen by the junior (such as a small 8 year old attempting to handle a large fully grown MC, or a junior attempting to handle an uncontrollable cat would not be conducive to long term success).

812.1.2 **Presentation (40 points)** – The quality of the cat is not judged. Juniors are observed keeping in mind age/level appropriateness. The judge will ask questions at the end of the presentation. 20 points for demonstration and presentation such as a judge would do to a cat during a final – telling about each significant feature on the cat (breed/HHP, color, pattern, size, body part shapes, etc.). 20 points for knowledge of the breed or basic HHP knowledge, cat care, grooming and ring readiness. Judge asks impromptu questions that are relative to the cat the child is presenting in the ring.

812.1.3 **Testing (20 points)** – for pre-assigned questions related to the cat, health, rules and regulations, scoring, titles, etc.

812.1.4 **Overall Presentation (20 Points)** – Judge assesses the appearance, demeanor, conduct, and comfort level, confidence in the ring and with handling the cat of each Junior.
